

Randy Otterbridge Bio
Faculty Instructor

After having worked in the manufacturing field for over 23 years, rising from floor laborer, to various positions and management roles, all while earning an Associate (GRCC), Bachelor (NORTHWOOD UNIVERSTIY) and Master degrees (SPRING ARBOR UNIVERSITY) in business, Randy is enjoying a sabbatical to Write, Teach, and Entrepreneur.

At UQMI we tap Randy's system of using CCS (creative case studies), ARWS (applicable real world scenarios), CBBL (capabilities beyond book learning) and QALS (quick accessed learning styles), in delivering course material.

Randy can be reached through rotterbridge (dot) com., Or our instructor email.
